# PRESS RELEASE

South Coast Specialty Chemicals, LLC 2018 Catalog

*Solution Pressure Sensitive Acrylic Adhesives*

**Piqua, OHIO November 2017:** South Coast Specialty Chemicals introduces the new 2018 catalog of FASC-Tac<sup>®</sup> Pressure Sensitive Adhesives. The staff at SCSC stands ready to assist application engineers with a complete PSTC lab, polymer development and pilot coater facilities. The catalog includes a complete portfolio of products for a variety of applications as follows:

- Removables
- Permanent
- LSE Adhesion
- Plasticizer Resistant
- Heat-resistant
- Permanently Tacky
- Medical-grade
- Construction
- HVAC
- Lower temperature adhesion

**Background:** South Coast Specialty Chemicals has been producing solvent-borne acrylic pressure sensitive adhesives for more than fifteen years. South Coast Specialty Chemicals offers a dedicated staff of polymer scientists in conjunction with expedient technical service personnel. Since 2007 Jennings Group, LLC continues to represent a portfolio of products dedicated to the graphic arts, tape, and label industry. The FASC-Tac<sup>®</sup> products are readily available to ship from inventory in Piqua, OH.
